

Shiv Plastics

<http://www.shivplastics.com/>

We are engaged in Manufacturing a range of Jars, Plastic Cans, Plastic Thermos and Plastic Bottle. To meet the specific requirements of our clients, we offer customization facility based on the parameters of size, color and shape.

About Us

Started in the year 1997, we “Shiv Plastics”, are leading Manufacturer of Jars, Plastic Cans, Plastic Thermos and Plastic Bottle. In our organization, we have hired a team of dedicated and devoted personnel that performs their function in compliance with industry norms and standards. Our quality supervision teams allow us to provide a high-quality range of products, which are designed by skilled specialists with great precision and accuracy.

To maintain the quality standard of our products we use only top-quality material and most up-to-date techniques in the creation of these products. In addition, complete range is checked on various quality restraints before final deliverance at respected clients’ end.

We have positioned ourselves at the top of this competitive industry under the guidance of our mentor, “Mr. Kapil Arora”. His accurate business plans and policies, quality management and a spirit to reach the highest position in the industry have enabled us in gaining a huge goodwill in the market.
